Num 1:38-39

"...from twenty years old and upward, all that were able to go forth to war; Those that were numbered of them, even of the tribe of Dan, were threescore and two thousand and seven hundred."

Dan's portion of the "Promised Land" was on the coast of the "Great Sea" (Mediterranean = Middle Sea), from Joppa to Askelon. In God's province, it became too small for such a dynamic and versatile tribe (**Judges 18th Chapter**) in 1443 B.C., with in a short time, our Lord split some 600 of them off from the tribe – drove them to the foothills of Mt. Hermon to a country called Bashan. After having conquered a portion of it and they called the name of the city "Dan", after the name of Dan their Father "who was born unto Israel." (**Joshua 19:29**)

Now Bashan is land locked; but as we can see, these Danites were only a small portion of the rather large tribe of Dan, who with 62,700 fighting men at least twenty years old, would number some 928,000 by only allowing for 2 parents, 3 brothers or sisters only – excluding aunts, uncles, niece, nephews, brothers and sister-in-laws, etc. Our Lord was fulfilling another promise to Israel by causing them to multiple – faster than any race of people prior to, or after, that time!

Therefore, in due time, God drove the northern, land locked, portion of Dan out of Bashan! We find this in (**Duet 33:22**) where it tells us, that:

And of **Dan** he said, **Dan** is a lion's whelp: he **shall leap** from Bashan.

Dan did Spain in circa _____ B.C. and we find the Cacus Mountains where he had driven (or would) Israel after ending their "Assyrian Captivity" in circa _____ B.C.

Mean while, the portion of Dan that remained on the Mediterranean Sea – Coast,¹ when threatened by an invasion by Syria, got in their ships and went west landing in a peninsula which they named Macedonia² after their "Father" Dan!

You can follow the Israel tribe of Dan from Palestine wherein he crossed a river and named it the Jordan. Later, when Israel was taken captive to Assyria (740-21 B.C.), Dan was in his ships and pushing "West" along the same coastlines of the "Great Sea" to the colonies established by

¹ "Dan would never leave his ships, etc."

² In Hebrew you write the consonants, and speak the vowel, therefore DAN can be spelled DAN, DON, DIN, DEN, etc.

their forefathers where they lived as V.I.P. guests in Egypt for nearly two centuries, as mentioned previously.

Of course, secular history would never give credit to our Lord for anything, much less trace them back to Palestine, so they simply call them Egyptians since they came from Egypt, just as "Moses was an Egyptian, because he came from Egypt!"

You can put this on the hard-drive of your brains – the Adamic – Hebrews of whom "Abraham was their Father" were/and are, the colonizers, civilizers, and subsequently Christianizers of the entire world – and NO ONE ELSE!

The "Isles and coastlands" were given to Israel and it is not accidental that they have discovered and settled them around the world even off the shores of other continents, i.e. The Falkland Islands (off Argentina), The Canary Islands (off Africa), The West Indies (off North America³), Iceland, New Found land, Nova Scotia (new), all off of North America, etc.

One of the meanings of the word Heber (from which the word Hebrew = "one of Hebers" derived) is Colonizer!

Folks in the even that you have as yet to discover this fact, of the five races of mankind – white – black – brown – yellow and Red – the white race is without question, the 'colonizing' race!

Also, since Dan "will never leave his ships" he will of necessity, be a great maritime race of Seafaring people. (in order to discover and colonize he would have to be!)

The "THE WORLD IN A POCKET BOOK", or "UNIVERSAL POPULAR STATISTICS", published in 1859 by John E. Potter & Co., Philadelphia. For 1850 lists the gross tonnage of British Ships as 35,960 vessels...5,043,270 tons shipped

The U.S. of A. as 40,500 vessels...5,661,416 tons shipped.

Each of these more than the rest of the world combined.

The Establishment Church likes to say, as an excuse for their squandering the Lord's money on ostentations – non-people's needs oriented, by saying "there's nothing too good for our Lord! The fact is if the Lord came to set an example for us as they say also, what is to be said for the fact that he was born in a manger, grew up as a carpenter, rode into Jerusalem on a donkey, and died on a cross between two thieves?

We will say that if our Lord was truly God in the flesh as the Bible says, and "he set the boundaries of the earth for Israel (not Jews), then His "Chosen People" whom he "formed from

the earth" (Adam) and "fashioned in the womb," (Jacob-Israel) and whom He placed above all other nations of the world would have to be:

<u>People</u>	Anglo-Saxons	not Jews
<u>Nations</u>	England, Ireland, Scotland, Canada, U.S. of A., Australia, etc	not the Jewish Israeli (whom was given to them by us)
<u>National Treasures</u>	Europe, N. America, &Australia, etc.	not Jewish Israeli

Israel Shall lend to other nations not borrow (Scripture)

U.S. of A. (A combination of all tribes of Israel)	The Jews get over ½ of our "Foreign Aid," borrow billions, and have cost us over \$183 billion since occupied by Jews!

Folks, why not stop this deception from our pulpits, recognize who true Israel really is, and start giving God the credit for the success of His "Chosen Race" (the Anglos), and quit relegating Him to a Religio-Race of Turko-Asiatic people whose ancestors were "Khazars", with no relationship to the 12 tribes of Israel than Genghis Kahn, or Mohammad?
