Amos 9:9, "For, lo, I will command, and I will sift the House of Israel, (not Jews) among all nations like corn is sifted in a sieve, yet shall not the least grain fall upon the earth."

Jeremiah 31:10, "Hear the word of the Lord, O ye nations, and declare it in the isles afar off, and say, He that scattered Israel will gather him, as a shepherd doth his flock."

From this quotation in the Book of Amos, we can absolutely know that our LORD knows everyone of ISRAEL, and that He will scatter them among all of the nations of the world. However, not one of them will be lost by Him no matter where they are. God tells us this when he compares each of us with a "grain of corn", and states that as ISRAEL IS SIFTED among the other peoples of the world, "NOT A GRAIN WILL ESCAPE HIS SIEVE, AND FALL TO THE EARTH. (be lost).

Jehovah-God began his "sifting" of ISRAEL when he drove them WEST across Europe, and into the ISLES OF THE SEA. The British Isles, (Brith-Ish in Hebrew = COVENANT MAN) was the gathering place for the LOST TRIBES OF ISRAEL, and from there through colonization, they were placed among the "other nations of the world. F. Wallace Connon, in his book "Documents of Destiny", London, 1958, states "These are some of the early settlements; everyone knows of the settlement of the Angles, Saxons, Danes, Jutes and Normans, and these invasions are the fulfillment of prophecy."

But how can we be sure that our British Isles, are "the ISLES AFAR OFF," to which the Prophet Jeremiah was speaking? From the same book quoted above, the author quotes from an article by Rev. A. Prichard, MA, which appeared in THE NATIONAL MESSAGE, on Nov. 22, 1930, p. 744: "Mr. Glover, who was (the) English Chaplain at Cologne, asked the Rabbi there to write the word 'England' in Hebrew. Now the Hebrew is written from right to left and Mr. Glover expected that the Rabbi would write England backward, beginning with the D in Hebrew and ending with E, but instead he wrote from right to left in Mis-Iia, pronounced Yaii-Yaiim, the very Hebrew phrase used by Isiah which we translate as 'Isles of the Sea'. - - - the Rabbi (explained) 'When we speak of the United Kingdom we say Yaii-Yaiim as if spelt Aii-H'Im. No educated Jew would write his meaning in any other form."

In the Pictorial History of England (1837, p. 25) the following is stated: "Among the Celtic nations . . . Britain seems to have had the character of a sort of Holy Land."

In Genesis 38:7, we find that "Er", is the name of Judah's firstborn. Then in Numbers 26:36,37 we find the name Eran to be the family name of the sons of Ephraim, and that they were the first to give the name Erin to IRELAND, THE ERIN ISLE!

The great historian, Sharon Turner, author of the book "History of the Anglo-Saxons" quotes the Vetus Chronicon Holstatioe as making the statement that **"THE DANES AND JUTES ARE OF THE TRIBE OF DAN. (Israelites)**

Since I named our youngest daughter **ERIN**, after "The Erin Isles", and Magee, after her mother's family name, and was not into "root words" at the time, I rejoiced in finally learning the meaning of the root word **E R N**. Please read and study the entire 38th chapter of the Book of Genesis and learn to what extent our **GOD** will to in order to protect the **SEED** of **"HIS CHOSEN PEOPLE."** Since we Anglos know that a color always dominates a no color, and that we are the only uncolored race Jehovah-God chose to place upon our planet, we can take pride in the fact He has done a great job, as always, and that there are still literally millions, yea, **BILLIONS OF US UPON PLANET EARTH TODAY!**

To further enlighten us about this beautiful word **"ERIN"** we will quote **Numbers 26:36-37**, from the KJV Bible:

"And these are the sons of Shu-the-lah: Eran, the family of Eranites."

"These are the families of the sons of Ephraim according to those that were numbered of them, thirty and two thousand five hundred. These are the sons of Joseph after their families."

We must always remember that in dealing with "root words", that in the Hebrew language, **VOWELS ARE FOR SPEAKING AND CONSONANTS ARE FOR WRITING!** Therefore, we find that some members of the tribe of **JOSEPH-EPHRAIM** placed an "a" sound between the letters "R" and "N" producing the word **"ERAN**, while others, and at a much more distant time, placed an "I" sound between these same consonants producing our word **"ERIN."**

To conclude this exercise in **ETYMOLOGY** we know that in their own race history, the **IRISH** people trace their ancestry from **IBERIA, (SPAIN)** which is both the Hebrew and Celtic word for **ISRAEL**, to these **"EMERALD ISLES."** One of the earliest names for **IRELAND** was **SCOTIA**, named after one of the daughters of **ZEDEKIAH**, the last blooded king of **JUDAH**. Also, to put the "icing on the cake" so to speak, another ancient name, and still in use, is the word **"HIBERNIA"** which, of course we can recognize as **"IBERIS"** with an "H" placed in front of it. Also, students, don't forget **FOR THERE TO BE A "NEW IBERIA, THERE MUST HAVE BEEN AN OLD IBERIA, FOR A NEW YORK, AND FOR A NEW ULM . . . AN OLD!**
