### **Lamentations 4:7**

*"Her Nazarites were purer than snow, they were whiter than milk, they were more ruddy in body than rubies, their polishing was of sapphire:"*

We must bear in mind here that the book of Lamentations was written by the Prophet Jeremiah. He was lamenting <sup>1</sup> what had happened to his country (Judah) and to his City (Jerusalem).

Folks, it was verses like this that got me into the Bible – deep into it, because as a genealogist, I began to look for scriptures with racial descriptions. I soon found that they are to be found from Genesis (Gene) to Revelation. They comprise approximately 35-40% of Biblical scriptures and can be found in every book of the Bible! It is strange, indeed, that most preachers preach only about 35% of the Bible! Yet the Bible says that, “All scripture is given us and we are to study it – and “rightly divide it,” for our benefit as it will make us “approved unto God.” Thus, we will rightly divide the above scripture:

First we find that the Nazarites were “white” not black, brown, yellow, or red. They were white, we know this, and we are commanded “not to be ashamed of it,” because our Lord gave it to us, and we are to praise Him and glorify Him, and not let the non-white people of the earth “frighten” us or “subdue” us.

God, in his wisdom, made five (5) races of people. We can recognize them by skin color. White, black, brown, yellow, and red!

White is no-color, or uncolored. We are the only uncolored race in the world. All others are colored.

We learn then, that the Nazarites (not Nazarines) were of the un-colored race- and that is peculiar!

Secondly we learn that their bodies were “ruddy.” This simply means that they can “show blood in the face” – “to blush.” We now learn, and can easily observe, that the uncolored race is the only race of the five that can show “blood in the face...” (To blush) and this makes us “peculiar” to other races!

Now we are ready to learn more about the “Nazarites.”

## *"Proofs of Israel - XXXIX"*

Again, Nazarites are not to be confused with the Nazarines since a Nazarine is nothing more than a geographical location – or a person who lived in Nazareth! Of course, we all know that Our Saviour Jesus Christ lived in Nazareth – hence “a Nazarine.”

However, the term “Nazarite,” has much more attached to it. It was a religious sect of people extant at the time of Christ. It would compare in some respects, to a Monk in today’s society except for the isolation.

They pledged their life to YHVH for various periods of time, as much as their entire life. They refrained from strong drink; they did not marry during their tenure, did not cut their hair (Sampson), and made other similar commitments.

The Bible identifies several people who were members of this sect Nazarites: James, Jesus’ brother, John-the-Baptist, Jesus’ cousin, Paul, the Apostle, Sampson and possible others.

The Apostle, the scripture tells us, was white, and his body was pinkish, (or reddish) probably a red head, because their bodies are more ruddy than the other whites; but only white people can be ruddy! King David was ruddy **I Sam 17:42**. In fact, every racial description given in the Bible, fits only Anglos. For example:

1. Sarah, Abraham’s wife was “very fair.” **Genesis 12:14**
2. Rebekah’s brother was named Laban the Hebrew name for “white.” **Genesis 25:20**
3. Moses was “fair.” **Acts 7:20**
4. The word Adam is an un-translated Hebrew word, which translates: “to show blood in the face!”

Most Christians are not cognizant of the fact there are more “commands” of our Lord in our Bibles (God’s word) than just the Ten Commandments! i.e. when our Lord, Jehovah-God says, “Study to shew thyself approved unto God … rightly dividing the word of truth.” **II Timothy 2:15**

If this study seems racial, it’s because God is racial! If you have not heard this “racial” teaching it is because your preacher has been purposefully “preaching around the scriptures!”

Finally, we have learned that they “Nazarites were white and their bodies were ruddy.” (To show blood, red, through the skin.)

We found that only the white or uncolored race can do this. We found that this uncolored race (white) is the “formed” race of Adam. And now we learn that this is the race chosen by God to be his “witness here on earth,” and this is the only race whose genealogy is given in the Bible, from Adam (to show blood in the face-blush) down to Jesus Christ.

## *"Proofs of Israel - XXXIX"*

And we learn now also, that the Bible was written by this un-colored race, about this un-colored race, and for this un-colored race!"

Folks, this is another proof, or two, or three, of who true Israel really is, and we are "commanded" to study it!
