

"PROOFS OF ISRAEL-XXXIII"

"Abrahamic Covenant"

By: The Author: Jehovah-God
The Recorder: William N. Hollis
B.S., M.A., E.X. (Exhorter)

Gen 26:3-4:

"Sojourn in this land, and I will be with thee, and will bless thee; for unto thee, and unto thy seed, I will give all these countries, and I will perform the oath which I swore unto Abraham thy father; And I will make thy seed to multiply as the stars of heaven, and will give unto thy seed all these countries; and in thy seed shall all the nations of the earth be blessed"

God repeats his promise, unconditionally, to Jacob-Israel.

Gen 28:13-15:

"And, behold, the LORD stood above it, and said, I am the LORD God of Abraham thy father, and the God of Isaac: the land whereon thou liest, to thee will I give it, and to thy seed; And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed. And, behold, I am with thee, and will keep thee in all places whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done that which I have spoken to thee of."

Gen 35:11:

"And God said unto him, I am God Almighty: be fruitful and multiply; a nation and a company of nations shall be of thee, and kings shall come out of thy loins"

We have perhaps, treated some aspects of this both great, and profound, in some previous "Proofs of Israel," however, this covenant of God's is so far reaching, and of such great importance to us, that we could write forever on this scripture!

For example, we could take the portion wherein God commands Abraham (the Father of nations) to go "West." Since God mentions this direction first, we can assume that it is the most important direction to Him, for the Israelites to travel. It becomes easy for us to see then how much could be written on Israel's trek West from the Caucasus Mountain area of the Black Sea, through Europe, to the Atlantic Ocean, across the English Channel to Great Britain (England, Ireland, Scotland, and Wales) then from there across the Atlantic Ocean to the North American Continent (US of A and Canada), etc. etc.

"Proofs of Israel - XXXVIII"

To do this, one could not ignore such monumental members of God's chosen race, (to name a few) as: Abraham, Isaac, Jacob-Israel, David, Jesus-Christ, Peter, Paul, and John, Charlemagne, Joan of Arc, William the Conqueror, Constantine Wycliff, Lord Nelson, Queen Elizabeth I, Goueman Bradford of Plymouth Colony, Robert R. Livingston, Washington, Patrick Henry, Jefferson, Captain Cook, Thomas A. Edison, and others.

Our Bibles start out with our Father Adam naming all the animals, etc. and down to practical our Dan era, and the Adamic-Israel race is still naming things. Most of the land masses of the world, plants animals, rivers, mountains, countries, fish, fowl, our time and date systems, and practically all modern conveniences i.e. airplanes, autos, steamboats, trains, telephones, telegraph, radios, televisions, movies, etc, etc. Were all invented, developed, and named by the Anglos.

Of somewhat older, and perhaps of greater value is the fact that we are the only race that made history around the world, but we are the only race that recorded it! The Blacks criticize us for not "recording their history correctly," when this is not even the point! The point is "why did they not record it themselves? The question should be this: "why did they not record their own history?" Now they (Blacks) are saying that the blacks preceded the whites in Egypt. What is this? Reverse evolution?

Folks, you may not know this fact, but be that as it may, it is no less fact!

"There are no lost civilizations in any Anglo lands! They are all in the "Dark Continents."

Another strange fact that correlates with this fact is that most all of the native colored peoples in these lands have "WHITE GODS."¹

What we are attempting to get you to see here, is that the Abrahamic Covenant was made to a race of people who had great civilizations, international languages, and written history a thousand years or more before they came across the ocean to discover lands where people who had no written language, no inter-tribal language, tepees or huts, bows and arrows, and relics of civilizations far superior to theirs!
