The point of looking up these topical cross references (CR) & using them to study from is that ALL OF THESE TERMS CR back & forth to each other, & they ALL ONLY APPLY to Christian Israelites in prophecy. By that I mean racial members of the 12 Kindred Tribes (12KT) who believed in Christ starting in Genesis. We read that Abraham (A) followed God's Law (FGL) in Gen 26:5, & his Posterity (12KT) that were Called through Jacob did as well. The ones who held to his Law are the Wheat, & they are the same Kindred Tribes mentioned in the book of Revelation who FGL & teach the message of Christ in 12:17 & 14:12.

This fact intrinsically links the different words listed on this chart to each other in a way that keeps the context of prophecy throughout the Bible within its application to Israelites unless otherwise specifically stated. The reason this is important for people to remember when reading the Bible, is that many years after scripture was recorded by the Prophets & later the Apostles, or under their direction; newer 'Scholars' came along 100's of years later & translated the Hebrew, Greek, or Aramaic into English & had to make decisions on what the best English words should be used to convey the force of the correct meaning of scripture.

There are 13 important 'figures of speech' (FOS) that I have identified & I'm not a scholar by any means. But prophecy itself is a FOS. I've read that there are 300 figures of speech the schools of Theology have identified within scripture! But if the translator doesn't know what the FOS means exactly, how do they put the right words to it? Ten translators can all look at the same sentence & all agree it has only one context & therefore should only be translated one way; but I've clearly made the point in various videos that their assumed context was wrong & why it was wrong.

I've challenged Doctors or Phd's of Theology to argue the point if they desire to & no one has taken me up on it yet. But maybe that will happen someday if people who attend Church become vocal enough that they want someone to address the issues I bring up. Especially my no-brainer argument that gentiles are almost always Israelites from the 'House of Israel' (HOI) except for a select few verses. If gentiles really are Israelites as I point out... that clears up a lot of doctrinal misunderstandings!

Almost without exception it has been Christians who have left the establishment churches who are the ones that recognize that these are valid arguments. But they don't always want to speak out & appear to be combative. I think that idea is contrary to what Christ wanted us to do & his definition of being 'Salt & Light' while living in a world of deception. Christ challenged false doctrine & had many harsh words for those who taught it! He told us to go to our Kindred Tribes in Matt 10:5 - the Lost Sheep of the House of Israel (HOI). He said to teach them the Gospel of the Kingdom (GOK) as he taught it in Luke 24:44 - from the Books of Moses, the Prophets & Psalms (MPP). He died on the cross to bring them back into the Kingdom of God (KOG), so it was necessary for His People, the Tribe or House of Judah (HOJ) to search them out wherever they were as James 1:1 identifies, & teach them this message of the GOK.

So where are the 'Kindred Tribes' today except warming church pews on Sundays being taught typically the Zionist 'one world church spiritual Israelite' viewpoint! The doctrine Christ taught to 'His People' in the NT is the same thing he taught 'His people' - the 12 Kindred Tribes in the OT. We can properly deduce who he's talking to from the 300 quotes to the OT that are used in the NT. These OT verses are

quoted to make the valid points about how you should view the proper context of what Christ or the Apostles are teaching! Once you've got the correct context of scripture in your head, that the NT is about the same Kindred Tribes mentioned in the OT; & you recognize WHO those people are in modern day; then you should do the same thing Christ commanded YOU to do in Matt 10:5. Teach the proper context of the GOK to your Kindred 'Brothers' or Brethren when you find one. And where are you going to find them in large numbers except sitting in establishment government 501C3 churches being misled about who they really are?

The 12 Stars mentioned in Rev 12:1 are the ones from Gen 37:9 & are the children of Sarah in Rev 12:17 as I mentioned. I think this also correlates with the Stars in Psa 148:3 as the Saints of Israel in v14 called 'Wheat' in the NT, but that idea starts in Psa 1:1-3. Look also at Neh 9:23 where "Stars of Heaven" are related to COI. They're the Lamb Kingdoms in Rev 13:11 meaning nations of the 12 Stars who FGL & teach Christ which is the proper understanding of the term 'Two Witnesses'. They're the prophesied 2 nations of Israelites who FGL & teach the message of Christ. And that's a prophecy from Genesis! The only reason we're confused is because we teach various church doctrines instead of what Christ says He taught in MPP! ALL of what Christ taught is in the OT not the NT. In the NT He was merely explaining the OT prophecies to the Israel people who He 'called' - 'My People / His People'. Called, Chosen, Elected, Ordained, Predestinated, Foresaw, Prophesied about, etc, etc!

You can start with my 7 videos 'Jews vs Gentiles' & read the pdf which exposes the fraud of substituting 'gentiles' for words that apply only to the Nations of 12KT. Or use the pdf & videos to make your own explanation of the problem. Frankly, the first use of gentiles in Matt 4:16 is so easy to show that it's actually talking about the 'light' or Christ being revealed to the 12T; I would think most people would just start at that verse. I like Acts Chapter 13 & Romans Chapter 9 better because of the OT verses they quote which really should make the point unarguable. That's mainly because of the fact that 1Pet 2:10 which refers to the Royal Priesthood, uses the same quote to Hos 1:9,10 that Romans C9 does. But once they learn the facts, whatever people feel they can articulate best is what they should stick with. Christ went to the 'establishment churches' of his day which we translate as synagogues, as did his Apostles. I think then, that he wants us to follow the example He gave us. Teach from MPP as He did in Luke 24:44! All my videos stick to this basic philosophy.

However, if all you feel compelled to do is to share my videos with others on this subject, then the real point is that you're in the battle against false doctrine & you're making a difference with the abilities Christ gave you. Learning how these CR's interact with the message Christ teaches is important, & how these CR's prove he's teaching the same thing He taught in the OT to the same family of 'His people'. We don't have to teach the 'doctrine of failure' Pastors teach. When you think about it, they teach that no one can identify these 'Lost Sheep of the House of Israel' today who our forefathers were sent to. Or that all the HOI were amalgamated with other people to become a mixed multitude. And besides that, what about the Jews (Israelites) who believed in Christ & became Christian Israelites? There were 1000's mentioned, just in Jerusalem.

Since there's a long list of ET Prophecies in MPP that have yet to be fulfilled. If you teach that these prophecies only apply to the people who identify as Jews today, you'd be saying that there's only a very small handful of people we could call Christian Israelites from the 12T. So was it 'Christian Israelites' from Christ's day then, who have taken the message of Christ to the 4 corners of the earth over the last 2000 years? Or was it White Anglo-Saxons who printed & distributed Bibles in all different languages & sent the Christian missionaries out to the 4 corners of the earth?

If we agree it was White Anglo-Saxons who have the history of doing all of this from the time of Christ, & their history can hardly be debated at this point; what's their logic exactly that the White Anglo-Saxons are not the missing Christian Israelites none of the Pastors can identify?? Pastors have almost done away with the prophecies of the Royal Priesthood because it can't possibly apply to modern Jews who reject Christ & have since Christ came. That was prophesied as well.

Christ said He took their forefathers out of the Book of Life (BOL) back during the Golden Calf incident! And He stated He removed more of them during their 40 years of trial in the desert. He indicated the ones who rejected Him at the first coming were the children or posterity of those he removed from the Book. This is all detailed on my list of the 300 NT quotes plus the context of each quote. Many quotes in the NT are actually OT prophecies about the ET. I have a 55 video series on my YT channel that goes through each one & shows how they connect.

But the Royal Priesthood can only be the Posterity of those who FGL & teach the message of Christ. We see that in Rev 12:17 & 14:12 among others. It can't apply to those who reject Christ & have a long family history of rejecting Him & His laws by following the Talmud. Just saying you're a racial Israelite is meaningless anyway. The Wheat & Tares are both Israelites! Psalms starts out talking about the W&T. The other group of Israelites during Christ's day, knew enough about these OT prophecies that they believed on Him & followed His command to take the GOK to their Kindred Tribes. They were the Christian Israelite 'blue collar' workers of the day & little has changed since. Except the fact that Pastors can't seem to get the context of the NT right. I pray this document helps them & they consider the points I make in my videos.

I think we can see clearly that the White Anglo-Saxons also fit the Prophecies Jacob made in Genesis to Ephraim & Manasseh; that they would become a Great Christian Nation & Commonwealth of Christian Nations! The 2 Witnesses or Lamb Kingdoms! There's only one group of people I'm aware of in the last 2000 years that fit this Prophecy, & who FGL & who teach Christ. Unfortunately, according to many prophecies we read in the OT about the second coming of Christ, war is coming to their land. Connect the dots on these words below & see for yourself! It's a breadcrumb trail, but it only leads to one conclusion... the right one! All of these terms CR back & forth to each other like a spiders web; & all terms almost without exception, can only be applied to the 12KT in Prophecy for that reason. You have to teach the NT as it's tied to the OT because these terms below are all used in the OT and apply to the same group of people in the NT. When you read the NT & OT together as was intended, then it all makes more sense because you can see proper context.

(Note: The Gen 15:1 connection of Melchizedek speaking to Abraham & calling himself a Shield & "exceeding great reward" to (A) & his posterity would be an untenable claim unless this 'King of Righteousness / Prince of Peace' that Melchizedek is translated as in Hebrews Chapter 7, was in fact the same entity we call Christ in the NT - the Son of God or Yahweh. This is the same manifestation of God referred to in all the scriptures as the Shield, the Stone or Rock, the Scepter of Judah, the King of Salvation, Hornet, Terror, Fortress, High Tower, Horn of Salvation, Helper, Deliverer, Refuge, & various iterations of Stumblingstone, Headstone, Cornerstone, etc.

Melchizedek cannot be a mere man & make such a statement, & any Doctorate of Divinity cannot logically argue that thought otherwise. Christ was the exceeding great reward & he's manifested as the King of Righteousness in Gen 14:18 & 15:1, etc! His reward to (A) is that he will give his Posterity the gift of everlasting life, & make those of his Posterity we know as the 12 Kindred Tribes who are willing to follow his law, commands, statues, & judgments as (A) did, into a Kingdom of Priests who will serve him forever! Though the actual term came later in the NT, (A) was the first 'Christian' then which explains the comment in Acts 7:30,37,38 that the first "Church" was at Mt. Sinai right after the Exodus. Which is the Church in Psa 111:1 the 'Assembly of the upright' or Congregation = Church of the Righteous. CR Psa 68:10,17 + 74:19 + Deut 33:2-5 for the Congregation or 'Church' at Mt. Sinai as well. You see the original layout of the Congregation or Church in Numbers 1:52,53, & then it's correlation to the ET Church in Heb 12:22-29. The Angel & the Prophet in those verses quotes Deut 18:15 which was the Prophet or Messiah all Israelites were expecting to be sent to them as we read many places in the NT.)

(Compare Behemoth = H#930 described as Hippopotamus, to Leviathan = H#3882 as the Serpent of the constellation of the Dragon; to the description of its attributes in comparison to Jehovah or Christ in Job Chapter 41 along with the Unicorn in Job 39:9,10 while keeping in mind what it says about the Mazzaroth = H#4216 mentioned in Job 38:32, as a distinction in the constellation or Zodiac. H#4216 compares to H#4208 & those two link to H#5140 & H#5144 which to me give us the idea of Christ as 'Living Water', or the Fountain of the Water of Life as we read in Rev 21:6 & 22:1, as set apart, divine, sacred, devoted, or consecrated for the 12KT as indicated in Rev 21:12 & elsewhere)
